

The Foundation for Promoting Action in Community Empowerment (PACE) is a not-for-profit organization that leads various community initiatives focused on promoting social welfare and development. With a view to implementing uplifting marginalized communities, the foundation implements programs that empower individuals through education, environmental conservation and forestry, livelihood support, and skill development, fostering sustainable growth and inclusion.

Children's theatre :-Confidence building through theatre.

The Foundation for Promoting Action in Community Empowerment (PACE), in collaboration with Pinkwood Creations, uses theatre to build children's character and teach history. At Odisha Parba-2024 in New Delhi, a stage play titled Biplabi Bajia showcased the bravery of Baji Rout, a 12-year-old martyr of India's freedom struggle. Performed by Saraswati Sishu Bidya Mandir students, the play captivated the audience, celebrating the spirit of courage and sacrifice.

Youth and Environment :- Odisha Conference of Youth (OCOY),2024 with UNICEF

Team PACE Foundation participated in an interactive workshop on heat waves, coastal economy, pond conservation, and green skiing at the Odisha Conference of Youth (OCOY) 2024.

Through sustainable agriculture practices, our farmers are on the frontlines of climate mitigation, nurturing the land while ensuring food security.

Driving Ecology Restoration :-

Team Pace Foundation, in collaboration with the Forest, Environment & Climate Change Department of Odisha, initiated a large-scale plantation drive in Badamba Block, planting over 10,000 saplings of various fruit-bearing and non-fruit-bearing trees, Indian Kino, Date palm, Gambhari Tree, Banyan Tree, Ashvattha Tree, Button Tree, Pongamia Tree, Neem Tree, Amla Tree, Guava tree, Mahul Tree, Wood Apple, Harida Tree, Golden Tree & many more.

Empowering Youth :- Exposure visits

Exposure visits play a crucial role in career counseling, especially for students and youth from rural areas, as they open doors to new opportunities and broaden horizons.

The Foundation for Promoting Action in Community Empowerment (PACE) was established to foster meaningful engagement with the community across various facets of life. In line with this vision, Team PACE Foundation organized an exposure visit to the Indian Coast Guard station in Paradip.

We extend our heartfelt gratitude to the Indian Coast Guard for hosting this inspiring visit aboard the ICG patrol vessel VIJAY. This initiative aims to introduce the youths to the exciting career opportunities available in uniformed services, such as the Coast Guard.

Inclusivity :- Empowering the differently abled.

Team PACE Foundation, visited the “Rajadhani School for the Deaf” and the “Louise Braille School for the Blind” in Bharatpur, Bhubaneswar, to engage with visually and hearing-impaired students. Upholding its commitment to social welfare, our Team distributed sports equipment to inspire sportsmanship and athleticism, encouraging students to view Paralympic athletes as role models.

Promoting Talent :- Sports and Youth activities

- Team Pace Foundation sponsored Ms. Dipali Naik from Jodumu Village, Narsinghpur, Cuttack, enabling her to compete in the National Arm Wrestling Championship held in Nagpur.
- She showcased exceptional talent, securing third place and earning a spot at the national level. Additionally, the Pace Foundation extended its support for her participation in the International Arm Wrestling Championship in Delhi, fostering her journey toward greater achievements.
